

Who is Who in Arabella Golf Mallorca

Today: Mike Karl – Academy Leader

AGM: Welcome Mike Karl and thank you for answering a few questions for the “Who is Who in Arabella Golf Mallorca”

MK: Hello, and thank you for inviting me today.

AGM: Maybe you just introduce yourself with a few words.

MK: All right. My name is Mike Karl, I am original from Munich but I live and work on Mallorca since 2004. I am a Fully Qualified PGA Professional under the PGA of Germany and I am working as a golfprofessional for 6 years now.

AGM: And what is your job at Arabella Golf Mallorca?

MK: Well, of course first of all I am here to teach our customers and guests we have in the resort so that they will get high quality lessons regarding the newest and most modern techniques. And as the “Academy Leader” I am responsible for structuring and building up the new “Arabella Golf Academy Mallorca” and to integrate it as good as possible into the resort with its Hotels and Golfclubs.

AGM: Who works in your team?

MK: At the moment there are Riccardo Meier to Bernd and Sebastian Ruiz working with me in the academy.

AGM: Please tell us three highlights from the academy.

MK: First of all there is our "Three Camera Video System" we use during the lessons to analyze the swings of our customers and to show them what they should change to improve their ball flight. After the lesson we send the videos with a few comments via email to our pupils. Then there is the "360 Degrees Golfclub fitting Center" from NIKE which we use to find the best material for each customer. And last but not least, our "Junior Academy" every Saturday. More than 50 kids from the age of 6 to the age of 16 get lessons in three groups. We start at 10am and stop at 5pm. That's really amazing.

AGM: Thank you Mike for your time. It was nice talking to you.

MK: Thank you. It was a pleasure for me.
